Is Kitab Ko Kaise Parhein?

Sirf 5 asaan usool — inhein maan lein, German zaban khud-ba-khud aa jayegi.

📖 5 Sunehray Usool (5 Golden Rules)

1. **Har roz sirf 2 safhe.** Zyada nahi. 50 din mein poori kitab khatam — aur sab yaad bhi rahega. (Just 2 pages a day.)
2. **Har German lafz *bol kar* parhein.** Har lafz ke saath talaffuz (pronunciation) Roman Urdu mein likha hai — chup chaap parhne se zaban nahi aati. 🗣️
3. **Exercise chhorna mana hai.** Har chapter ke aakhir mein 🎯 **Mini Test** hai. Pehle khud karein, phir safha 99 par jawab (answers) check karein.
4. **Har naye lafz ke saath uska article yaad karein.** Sirf **Tür** nahi — **die Tür** F. Ye aadat shuru mein hi daal lein. ⚠️
5. **Hafte mein aik din sirf dohrayein** (revision) — naya kuch na parhein. 🔄

Kitab Ke Nishaan (Symbols Used in This Book)

German ke har ism (noun) ke saath aik "article" aata hai. Ye kitab har lafz ke saath aik **chhota nishaan** deti hai, taake aap ko foran pata chale ke lafz kis khaane (gender) ka hai — ye nishaan black & white print par bhi bilkul saaf nazar aata hai:

German Kahan Boli Jati Hai?

German (apni zaban mein **Deutsch**, "doytsh") taqreeban **13 crore** logon ki maadari zaban hai — Europe mein sab se zyada boli jane wali zaban. In mulkon ke ilawa Liechtenstein, Luxembourg aur Belgium ke kuch hisson mein bhi German chalti hai.

Khushkhabri — Aap Pehle Hi Bohot German Jaante Hain!

German aur English aik hi khandan ki zabanein hain — is liye **sainkron lafz** aap ko pehle din se samajh aa jayenge:

German	Bolein	English	Urdu
das Haus N	haus	house	ghar
das Wasser N	vasser	water	paani
die Milch F	milkh	milk	doodh
trinken	trinken	to drink	peena
der Freund M	froynd	friend	dost

German English Se 4 Cheezon Mein Alag Hai

- Har ism (noun) capital letter se shuru hota hai** — beech jumle mein bhi: **der Tisch**, **das Kind**.
- Har ism ke 3 mein se aik khaana hota hai** — **der** M / **die** F / **das** N. English mein sirf "the" hai, German mein teen. 😊
- Verb ki jagah muqarrar hai** — seedhe jumle mein hamesha **doosri jagah** par (Chapter 6).
- Cases** — lafz ka roop uske kaam ke mutabiq badalta hai, bilkul Urdu ke "ne / ko / se" ki tarah (Chapter 7).

Yaad Rakho

Ye 4 cheezein pehle hafte mein mushkil lagti hain aur teesre hafte mein bilkul normal. Har seekhne wala isi raste se guzarta hai — is liye himmat na harein. 💪 (Everyone finds these hard in week one and normal by week three.)

A1 Exam — Aap Ki Manzil

A1 sab se pehla level hai. Iska sab se mashhoor imtihan **Goethe-Zertifikat A1: Start Deutsch 1** hai (isi tarah **ÖSD A1** aur **telc A1**). Family reunion visa aur Ausbildung ke liye aksar yehi maanga jata hai.

Aaj Ka Pehla Jumla

Ich lerne Deutsch.

ish lern-e doytsh

Mein German seekh raha/rahi hoon. EN I am learning German.

Ise 5 baar bol kar parhein — aap ka safar aaj shuru ho gaya! 

Alphabet Aur Awaazein

German ke harf bilkul English jaise hain — magar **bolne ka tareeqa** alag hai. Yehi chapter aap ki buniyad (foundation) hai.

Yaad Rakho

German mein jo likha hota hai, wohi bola jata hai — English ki tarah "silent letters" ka jhamela nahi! Aik dafa awaazein seekh lein, phir aap har naya lafz khud sahi parh sakenge. 🗣️ (German spelling is phonetic — you read exactly what is written.)

🗣️ A Se Z — Har Harf Ka Sahi Talaffuz

- **W** ko English ka "w" na samjhein — ye "v" bolta hai: **Wasser** = "vasser" ✓
- **V** zyada tar "f" bolta hai: **Vater** = "faater" ✓
- **Z** hamesha "ts" bolta hai: **Zeit** = "tsait" ✓ (na ke "zeit")

🔑 Buchstabieren — Naam Spell Karna

buchstabieren (*bookh-shta-beeren*) = "spell karna". Ye A1 speaking exam ke **pehle hisse** mein zaroor poocha jata hai — aur Germany mein har jagah (bank, doctor, Amt) kaam aata hai.

German Jumla	Bolein	Matlab · Meaning
Wie heißen Sie?	<i>vee haissen zee</i>	Aap ka naam kya hai? EN What is your name?
Wie schreibt man das?	<i>vee shraibt man das</i>	Ye kaise likha jata hai? EN How do you write that?
Können Sie das buchstabieren?	<i>koennen zee das bookh-shta-beeren</i>	Kya aap ise spell kar sakte hain? EN Can you spell that?
Noch einmal, bitte.	<i>nokh ain-maal bitte</i>	Aik baar phir, meherbani. EN Once more, please.

💡 Spell Karne Ke Kaam Ke Lafz

- **doppel** (*doppel*) = double. **Anna** = "A - **Doppel-N** - A" 👉 do aik jaise harf ho to.
- **groß** (*gross*) = capital, **klein** (*klain*) = small. **großes A** = capital A.

🗣️ Aise Bolein — Poora Dialogue

A: Guten Tag! Wie heißen Sie?

gooten taag! vee haissen zee

Assalam-o-alaikum! Aap ka naam kya hai? EN Hello! What's your name?

B: Ich heiße Muzamil Memon.

ish haisse Muzamil Memon

vee shraibt man das

Ye kaise likha jata hai? EN How is that written?

B: M - U - Z - A - M - I - L.

emm - oo - tsett - aah - emm - ee - ell

Har harf German talaffuz ke saath bolein. EN Say each letter the German way.

🎯 Mini Test 1 — Apna Naam German Mein Spell Karein

Apna naam likhein, phir har harf ka **German talaffuz** likh kar bol kar practice karein (safha 7 ki table dekhein). 🕒

1. Mera naam: _____
2. Harf ba harf: _____
3. Mere sheher ka naam: _____

👑 Umlaut — Do Nuqton Ka Jaadu (ä ö ü)

Ye German ke apne khaas 3 harf hain. Do nuqte upar lagte hain aur awaaz badal jati hai. (These three vowels with two dots exist only in German — the dots change the sound.)

Harf	Kaise Bolein — asaan tareeqa	Misaal · Example
ä a-Umlaut	Bilkul Urdu ke "ay" jaisa — jaise "hai" mein. Munh khula rakhein. Like the "e" in English "bed".	Äpfel (<i>epfel</i>) seb / apples
ö o-Umlaut	Honth "o" ki tarah gol karein 🗨️, magar bolein "ay" . Round your lips for "o" but say "e".	schön (<i>shoen</i>) khoobsurat / beautiful
ü u-Umlaut	Honth "oo" ki tarah gol karein 🗨️, magar bolein "ee" . Round your lips for "oo" but say "ee".	Tür (<i>tuer</i>) darwaza / door

⚠️ Nuqte Bhoolna Mana Hai

Do nuqte lagana ya na lagana **matlab badal deta hai**: **schon** (*shone*) = pehle hi **EN already** magar **schön** (*shoen*) = khoobsurat **EN beautiful**. Isi tarah **Mutter** = ammi, **Mütter** = ammiyan (plural)! 😬

abc ß — Eszett Ka Raaz

ß koi "B" nahi hai! Ye do "s" ke barabar hai — hamesha **"ss"** boliye. Iska naam **Eszett** (*ess-tsett*) ya **scharfes S** hai. (ß is simply a sharp "ss" — never a B.)

Lafz	Bolein	Matlab · Meaning
die Straße F	<i>shtraa-sse</i>	sarak EN street
groß	<i>gross</i>	bara EN big / tall
der Fuß M	<i>fooss</i>	paon EN foot
heißen	<i>haissen</i>	naam hona EN to be called

💡 Keyboard Par ß Na Ho To?

Ghabrayein nahi — **ss** likh dein, ghalat nahi hoga: **Straße** = **Strasse** ✅. Switzerland mein to log hamesha ss hi likhte hain. 🇨🇭 ß hamesha chhota likha jata hai, capital letters mein **SS** ban jata hai.

Do Harf Mil Kar Nayi Awaaz

Ye 7 jorray yaad kar lein — phir aap German ka **koi bhi** lafz sahi parh sakenge. (Learn these seven pairs and you can read any German word.)

Harf	Awaaz	Misaal · Example	Matlab · Meaning
ei	"aai"	ein, mein, Zeit	aik, mera, waqt EN a, my, time
ie	"ee"	Liebe, sieben, Bier	mohabbat, saat EN love, seven
eu / äu	"oy"	Deutsch, Häuser	German, ghar (plural) EN German, houses
sch	"sh"	Schule, schön	school, khoobsurat EN school, beautiful
sp / st lafz ke shuru mein	"shp" / "sht"	sprechen, Straße	bolna, sarak EN to speak, street
ch i, e ke baad	halka "sh"	ich, nicht, München	mein, nahi, Munich
ch a, o, u ke baad	"kh" (jaise "khush")	Buch, machen, auch	kitab, karna, bhi EN book, to do, also

⚠ Sab Se Badi Galti — ei aur ie

Log inhein ulta parh lete hain! Trick: **doosra harf bolo** 👉 **ei** mein aakhir "i" hai, to "aai": **nein** = "naain". **ie** mein aakhir "e" hai, to "ee": **Bier** = "beer". ✅
